### Notes:

We were absolutely blown away by the quality of the acts we saw this year! Thank you all for taking a risk and showing us what you've got! Please remember that DCC offers a talent show at each level, so there is always a chance to try again if you didn't make it this year. I'm proud of you!

If you need a track for your song and did not provide a copy for Ms. Ford, please email or burn a CD before 2/6. YouTube links are not adequate. I will not be purchasing tracks out of pocket this year so this is mandatory for your participation.

All costumes/performance outfits must be approved. If you were not wearing yours at auditions, please schedule a time to get approval before the dress rehearsal.

Performer contracts will be going home with your children in the next couple days. These are mandatory for participation and must be adhered to.

Please check our website, [www.dccfinearts.com](http://www.dccfinearts.com) for updates! Congratulations to all who auditioned!
