

Colorado Elementary
All-State Choir
January 27, 2018
<http://ceasc.org>

Hello Parents:

We are thrilled that your child is considering auditioning for the seventh Annual Colorado Elementary All-State Choir to be held January 27, 2018, at The Broadmoor in Colorado Springs. Possible costs of participating in the Colorado Elementary All-State Choir are listed below. Some items listed are optional. The CEASC Board of Directors thought it important for you to be aware of possible expenses prior to the singer selection process.

Registration/Participation Fee: \$45 per singer. This fee helps cover the expenses of the choir including the conductors' honorarium and travel, rehearsal and performance facilities, lunch, snack, performance shirt, etc.

Attire: Each singer is to wear **black** slacks (no capris or skirts), **black** socks and **black** shoes. This attire will be worn throughout the rehearsal and performance. After all of the effort has been placed in preparation for the concert, please make sure your son or daughter has all-**black** pants, socks and shoes for this event. **These items are not optional.** Please note that the performance shirt will be worn "tucked in"

Concert Tickets: \$10 each/\$80 maximum. Tickets are required for entry into the performance at the Broadmoor. Each participant's family may purchase up to six (8) tickets. There is no fee for a baby sitting on parent's lap. Babies may not take a separate seat without a separate ticket.

Concert Music: Approximately \$15 per singer.

OPTIONAL COSTS

Choir picture – taken by professional photographer

Performance DVD – professionally recorded. (Video & audio recording are not allowed during the performance due to copyright laws.)

Performance CD – professionally recorded.

Extra Performance shirt: \$10 each (\$12 for XXL) -- for family or friends

Possible lodging for out-of-town participants & families

Parking cost at The Broadmoor--there is no parking allowed on the street

Performance Shirt: Each singer receives a performance shirt as part of his or her participation (included in registration fee -- no additional cost).

Meal/Snack: Lunch for participants typically consists of pizza or a sub sandwich lunch, and we also provide a granola bar for an afternoon snack. If your child has special dietary needs, please plan to provide a lunch and afternoon snack for them. Due to the large number of student performers, CEASC is not able to accommodate these needs.

Sincerely,
CEASC Board of Directors
